February 9

A nod to the past

There is an adage that imitation is the sincerest form of flattery and that is exactly what PocoNotes was thinking when its members decided to launch their 2011 season with "Oh Boy! A Tribute to Buddy Holly" Feb. 19.

Holly's life ended abruptly during his 1959 "Winter Dance Party" tour. However, the legacy of timeless hits that he left in his wake have been credited with serving as an influence for some of today's musical icons, including The Beatles, The Rolling Stones and Bob Dylan.

PocoNotes will recreate the high points of Buddy Holly's short, but illustrious, career with a show that includes dozens of songs from that era.

The event will be held at The Hideout, Lake Ariel beginning at 7:30 p.m. Admission is \$20. For more information, visit www.PocoNotes.com, 888.800.POCO or 570.698.4100 ext. 109.
